## **Guest House Building Project**

The location of the Guest House is in Suncuius, one hour driving from Oradea where we have the Training Center.

This Guest House is on the same property with our Training Center.

The Guest House will be home for our teachers and guests during our pastors conferences.

In the pictures on the left is the current stage of the building project. When it will be finished will have 3 rooms, 1 kitchen, 1 bathrooms, 1 prayer rooms (upstairs).

This is how the house it's planned to look like when it will be finished!
