

LET'S BUILD A CHURCH AND PARSONAGE!

Appalachian Conference Special Missions Project 2018

WHERE: Jinotega, Nicaragua

WHAT: Church building (30'x60') & parsonage

GOAL: \$20,000 for church construction

\$10,000 for parsonage

\$30,000

Nicaragua is one of the poorest countries in the Western hemisphere. It is difficult for them to afford to build a church, but together we can help! We plan to take a team to Nicaragua in January of 2019 to construct a church in Jinotega for this part of our IPHC family. Can you help by giving?
