

Pastor Andrew Sinan and family on the site of the future church

**HELP BUILD THE FIRST
IPHC CHURCH IN
TRINIDAD!
2018 Appalachian Conference
Special Missions Project**

Project #64014

WHEN: January 21-29, 2019

WHAT: Church construction

GOAL: \$30,000 by December 1, 2018

The IPHC has had ministry in Trinidad for over 30 years but has struggled because the government would not allow the churches to have property. For the first time ever, Pastor Andrew Sinan and the church have IPHC deeded land. You can make history and be a part of the first IPHC church building in this country by giving financially to this project! You can make a difference in a nation that has the largest Hindu presence in the Western Hemisphere by joining the construction team. Pray for this pastor and his congregation to have their very own church home.

Can you help by giving? Send your gift to the Appalachian Conference Ministry Center.
